WHAT HAPPENS AT THE OFFSITE REVIEW

- The SACSCOC VP, Steve Sheeley, will work with a group of volunteer peer reviewers. A chair, who is required to have training on the process, leads the review committee made up of about 8-10 reviewers.
- Reviewers may:
 - hold positions of president, chief academic officer, chief financial officer
 - come from offices of institutional effectiveness, library, student affairs, academic support
 - come from the faculty
- Committees typically review 3 institutions over 1-1/2 days.
 - Standards are rated as Compliant, Non-Compliant or Non-Applicable.
 - Those deemed Non-Compliant require follow up in a Focused Report.
 - Note: Standard 13.2 (Finance) is most always rated as non-compliant since the audit cycles are not complete at most universities.

WHAT HAPPENS AT THE ONSITE REVIEW

SACSCOC requires the onsite team to verify responses to a specific number of standards through interviews and review of documentation.
