

Do you know someone with PARKINSON'S DISEASE?

*Fact: Nine out of ten people with Parkinson's are at risk
for developing a weak voice that can lead to
SERIOUS SPEECH AND SWALLOWING ISSUES*

THE UNIVERSITY OF
TENNESSEE
HEALTH SCIENCE CENTER

Department of Audiology
and Speech Pathology

is proudly offering a new program
for individuals with Parkinson's

SPEAK OUT!® & LOUD Crowd® Program

developed by the

PARKINSON VOICE PROJECT

Contact Angie Orr
to learn how to enroll

865-974-4647

aorr14@uthsc.edu
