

Residency Incentive Program

Are you a resident in Internal Medicine, Family Medicine, Pediatrics, IM/Peds, OB/GYN or Psychiatry? If so, you are eligible for the TCWD Residency Incentive Program!

\$35,000 per year while you're in residency training - up to \$140,000 dependent on length of residency with no stipulation on how funds are spent.

Commitment to treat underserved populations in rural or metropolitan areas of Tennessee for three to four years after residency.
