SYMPOSIUM
IN OTOLARYNGOLOGY – HEAD & NECK SURGERY

Exhibitor Prospectus

The 2026 Seaside Symposium in Otolaryngology – Head and Neck Surgery is hosted by Penn State College of Medicine and the University of Tennessee Health Science Center Departments of Otolaryngology – Head and Neck Surgery. This is a three-day CME accredited conference. The conference will feature national speakers, along with faculty from Penn State and UT Health Science Center who will provide expert, evidence-based lectures, and lead discussions on topics important to today's otolaryngology practice.

Target audience: This conference is intended for otolaryngologists – head and neck surgeons, physician assistants, nurse practitioners, nurses, residents, and other health care professionals.

The conference will cover the following topics in otolaryngology:

- Head and Neck Surgery
- Laryngology
- Facial Plastic and Reconstructive Surgery
- Neurotology/Otology
- Skull Base Surgery
- Pediatric Otolaryngology
- Sleep Medicine

Dates: Friday, February 6 – Sunday, February 8, 2026

Location: Hyatt Regency Clearwater Beach Resort and Spa
301 South Gulf View Blvd.
Clearwater Beach, Florida 33767
(727) 373-1234

This conference will cover a wide range of evidence-based topics and best practices in the field. We invite you to join us to provide an opportunity to our participants to extend the educational nature of the meeting by informing attendees of current and improving technologies, products, equipment, and services in the areas of otolaryngology – head and neck surgery.

Exhibitor space is allotted on a first come, first serve basis. We anticipate a great response, so be sure to submit your information early. On behalf of the Penn State College of Medicine and UTHSC Departments of Otolaryngology – Head and Neck Surgery, we look forward to seeing you in Florida in February!

Conference Co-Chairs:

David Goldenberg, MD, FACS
Professor and Chair
Penn State College of Medicine
Hershey, PA

M. Boyd Gillespie, MD, MSc, FACS
Professor and Chair
University of Tennessee Health Science Center
Memphis, TN
