Acknowledgments

In addition to the students, residents, and faculty members mentioned above, all of whom have contributed greatly to the success of our student research program, we would like to offer special thanks to Dr. Muneeza Khan and Dr. Gregg Mitchell for providing general leadership and oversight to the research program; to Dr. Maness, the Jackson SRP Site Director, to Dr. Ashley Matthews and Dr. Grant Studebaker, Memphis and Jackson Residency Program Directors, to Dr. Christopher Knight, Jackson Clerkship Director, to Dr. Bhattacharya and Mr. Henley for their support with the LSP program, and to Dr. Tom Spentzas from Pediatrics/Le Bonheur Research Center for providing exceptional & ongoing statistical support in addition to all the other faculty and residents. Also, the program would not have been possible without the support of numerous staff in the Department of Family Medicine including Leslie Ghandi, Netia Watson, Heather Cavness, Brigitte Boyd-Martin and many others. Special thanks to the nursing & records staff at the St. Francis and Jackson locations for helping our students with various aspects of their research projects and clinic service. Last but not least, we would like to thank St. Francis Hospital for making hospital facilities available to our research program.
