

2026-2027 Verification 5 Worksheet (Independent)

Your **2026-2027** Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA with supporting documentation. To verify that you provided the correct information, the Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit this form and other required documents to the Financial Aid Office before you may receive any federal aid. The Financial Aid Office may ask for additional information. If you have questions about verification, contact the Financial Aid Office as soon as possible so that your financial aid will not be delayed.
