# 1990 ASKLEPIEION

The University of Tennessee, Memphis

**The ASKLEPIEION** is ... a word derived from the name of Aesculapius, the Greek god of medicine and healing. Aesculapius was honored and worshipped throughout the Greek world by persons seeking the healing powers of the physician. Temples were erected in honor of Aesculapius near healing springs or high mountains. Those who worshipped him were known as Aesculapae, therefore, the temples in his honor were known as the Aesculapions (Asklepieions). In the ancient city of Memphis, on the Nile River, there was a temple where persons went for worship and for care. In our own city of Memphis, on the Mississippi River, people come to our Asklepieion for healing and care. — Bill Robinson, Associate Vice Chancellor, Student Affairs.

The Student Government Association Executive Council (SGAEC) is an organization designed to represent all segments of our diverse student body here at UT Memphis. With this spirit of cooperation, the SGAEC this year has sought as one of its primary objectives to promote interests and issues important to us all. We believe that support of campus-wide organizations such as the International Student Association and the Black Student Association exemplify the tone of neutral support we feel is so vital to our campus. Other efforts toward this goal include the SGAEC's continued support of campus-wide social events as well as informative programs such as Alcohol Awareness Week and the Senior Financial Planning Workshop. However, the program that best represents this council's philosophy of campus-wide variety is UT Memphis' joint philanthropy: The Church Health Center of Memphis. This philanthropy represents the common interest we all share as health professionals — to deliver comfort and heal the suffering and needy. On behalf of the SGAEC, I wish you all the best in your efforts to meet this end. — Jason Fleming

Dennis Sanders, MT

Well, where do I begin? I have had to come to the realization that the two year Dental Hygiene program, I was at one time about to enter, is soon coming to a close. My days, of the past, have been spent looking forward to graduation day, and yet now, I feel a certain desperate need to savor the four months that I have left. There have been many good times and friends and fellowships during my stay here at UT - ones that I will surely never forget!

The Senior Year is ... the light at the end of the tunnel (the light is a flashlight held by a gorilla) ... no more homework, no more books, no more teachers dirty looks ... the end of a four year walk in the desert with no water ... it's another year closer to the real world ... it's almost the end of our prison term ... knowing everything ... that nightmare on Union Avenue Part 4 is almost over ... knowing that next year there will be no more "starting checks" ... that graduation is right around the corner.

The ASDA at the University of Tennessee, Memphis, serves as the student governing body of the College of Dentistry. Membership is optional for all students; however, ninety-five percent of the student body became members. The Executive Council consists of elected representatives from each class, dental fraternity presidents and the Honor Council President. The Executive Council also consists of five positions which are filled by election, by the entire student body. Every Thursday, the Council meets over lunch to discuss matters which need to be "ironed out" in the dental college, whether it is in relation to the administration, faculty, parking services or even student life. The Chapter was especially proud of hosting the ASDA Annual Session and having Ginger Lee elected as National ASDA Vice-President.

# HONOR COUNCIL

**Seated, L to R:** Bradley Slaughter, Vice President; Ruth Lambert, President; Celita Simmons, Secretary.  
**Standing:** Wes McCann, Robert Pettigrew, Linda Moore, Debbie Faires, Brian Himelwright, Maricela Rodriguez, Richard Gaw, Alisa Holbert, Dr. James Turner, Caroline Churchwell, Michael Wharton-Palmer, Fred Shaw. **Not Pictured:** Frank Roberts.

Since September of 1984, the Honor Council in the College of Dentistry has been composed of four students from each class, elected in the spring of their first year of dental school. Prior to this time, six students were elected. It is the collective responsibility of the members of the Honor Council to protect the educational process by addressing possible violations of the Honor Code.

# HONORARY ODONTOLOGICAL SOCIETY

**L to R:** Dr. Simpson Evans, Ramin Togrye, Scott Werner, Elizabeth Bordwell, Robert Pettigrew, Celita Simmons, Kevin Utley, Wes McCann. **Not Pictured:** Eva Meinbach, Priscilla Vu.

The Richard Doggett Dean and Marguerite Taylor Dean Honorary Odontological Society was formed in December of 1948. The purpose of this society is "To propagate and perpetuate professional ideals, ethics and techniques in the field of dentistry." Active members consist of University of Tennessee dental students who have met the high qualifications of this society. They must be in the upper one-half of their class scholastically, have a deep interest in the dental profession, have gentlemanly conduct and character above reproach. They must also show promise of making important contributions to the profession of dentistry.

# AMERICAN ASSOCIATION of WOMEN DENTISTS

Seated, **L to R:** Elizabeth Bordwell, Rachelle Mathevosian, Tina Dutt, Djuana Mason, Elizabeth Draughon. Standing: Alisa Holbert, Diane Watson, Kelli Mulhollen (Pres.), Dr. Judy Ross, Susan Young, Leah Patrick, Caroline Churchwell.

The American Association of Women Dentists, founded in 1921, is a national organization geared toward the enrichment of women in dentistry. Our local chapter, established in 1985, is dedicated to serving the Memphis community and UT Dental School. We will miss Dr. Judy Ross and wish her well in her future endeavors.

## BOWYER LECTURE

**L to R:** Dr. Roy Thompson (Young Dentists Committee), Dr. Ralph Knowles, Paula Perich (Speaker, ADA), Dr. Frank P. Bowyer, Dr. Michael L. Perich (Speaker, ADA), Dr. Nick J. Minden (Speaker, ADA).

The Bower Lecture is an annual day set aside for Junior and Senior students to attend an informative and educational seminar. This year the subject matter was "Starting Your Dental Practice." HEALTHCO donated two handpieces that were given away during a drawing.

Delta Sigma Delta members include, **First Row, L to R:** David Meyers, President; Dianne Watson, Historian; Mike Mysinger, Senior Page; Alison Junkin, Scribe; Raed Musallam, Vice President. **Second Row:** Dr. Charles Shannon, Bradley Slaughter, Carol Shipley, Deidre Kreckler, Barry Quick, Greg Miller, Dr. John Wicker, Fred Shaw, Stacie Adonis. **Third Row:** John Howell, Jimmy Bishop, Ron Owen, Tom Bulmanski, Wate Schott, James Elliott, Dr. Mike McBride, Bobby Russell.

Delta Sigma Delta was established by far-sighted professionals — men with vision — who possessed the desire to render the best dental services in the highest professional manner. On November 15, 1882, seven dental students met at Mrs. Slattery's boarding house in Ann Arbor and founded the first dental fraternity in the world. It was intended to bring together not only the most talented students of dentistry while in school, but by the establishment of the Supreme Chapter, it brought in the outstanding teachers and practitioners. Professional fraternities have strong faculty support because of the high standards required for the establishment of a chapter on a campus. A good scholastic average is an important criterion for membership. These fraternities feature active alumni associations. Nowhere in the history of Delta Sigma Delta has it been written that we must initiate the largest number of candidates. On the contrary, the literature is replete with the philosophy of selectivity. However, Delta Sigma Delta is the fastest growing chapter in the country.

**L to R, First Row:** Robert Maddux, Bruce Gaston(Pres.), Bryan Elkins, Steve Pascoe, Kevin Cebrynski, Terry Bushay, Brian Hastings. **Second Row:** Richard Gaw, Alisa Holbert, Pam Morgan, Scott Scallion, Lane Smith, Jay Stringfellow, Lance Donald, Jason Cabler. **Third Row:** Mark Wood, Todd Carpenter, Jimmy Penny, Steve Curet, Debbie Newsom, Edward Knight(VP), Eddie Brown, Linda Mciore, Mike Miller, Lou Bogard.

The Xi Psi Phi Dental Fraternity is cordially known as ZIPS. Several members reside in the fraternity house located at 249 Garland Street. There is a fully-equipped laboratory which is always available for use. Intramural sports, Friday Happy Hours, and theme parties are some of the social activities ZIPS are involved in. The ZIPS are also involved with community service projects such as a trip to the Memphis Zoo with children from the local Muscular Dystrophy Foundation. Xi Psi Phi enjoys serving UT-Memphis both socially and academically.

Psi Omega was founded in Georgia in 1842 by William Hamilton and one of his colleagues. Since then, this two-member fraternity has grown to cover the nation and to join thousands of dental students and alumni as brothers.

Psi Omega at the University of Tennessee has been an important part of campus life for decades. The Psi-O house is located near Overton Park and provides the perfect location for students to spend their free time. It is the site of numerous campus gatherings and offers Psi-Os an out door pool to relax by.

Psi-O was founded to establish a means for students to get to know one another, to form friendships and to help each other. The basis of Psi-O is that there are other outlets besides academics that are important in obtaining a well-rounded education. Psi-O is therefore an active participant in intramural sports, charity fundraisers, and campus parties. Psi Gamma Chapter here at UT is proud of their members and we are especially excited to have become the largest Psi-O Chapter in the nation!

We have successfully completed the required courses. We have overcome the initial two stages of licensure examinations. We have chosen our areas of specialty and we have been matched with our residency programs. Now we are all doctors of medicine and our education is finally complete. Or is it? The process of becoming a physician is hardly so simple. We have only scratched the surface of what it is we need to know to become proficient in our field.

We have just begun what will be a life-long process of learning, yet we will always remember those people, whether they be classmates, instructors, or patients who have touched us in the past four years and contributed to making this, the beginning of our medical education, such a unique and memorable experience.

# Class of 1991

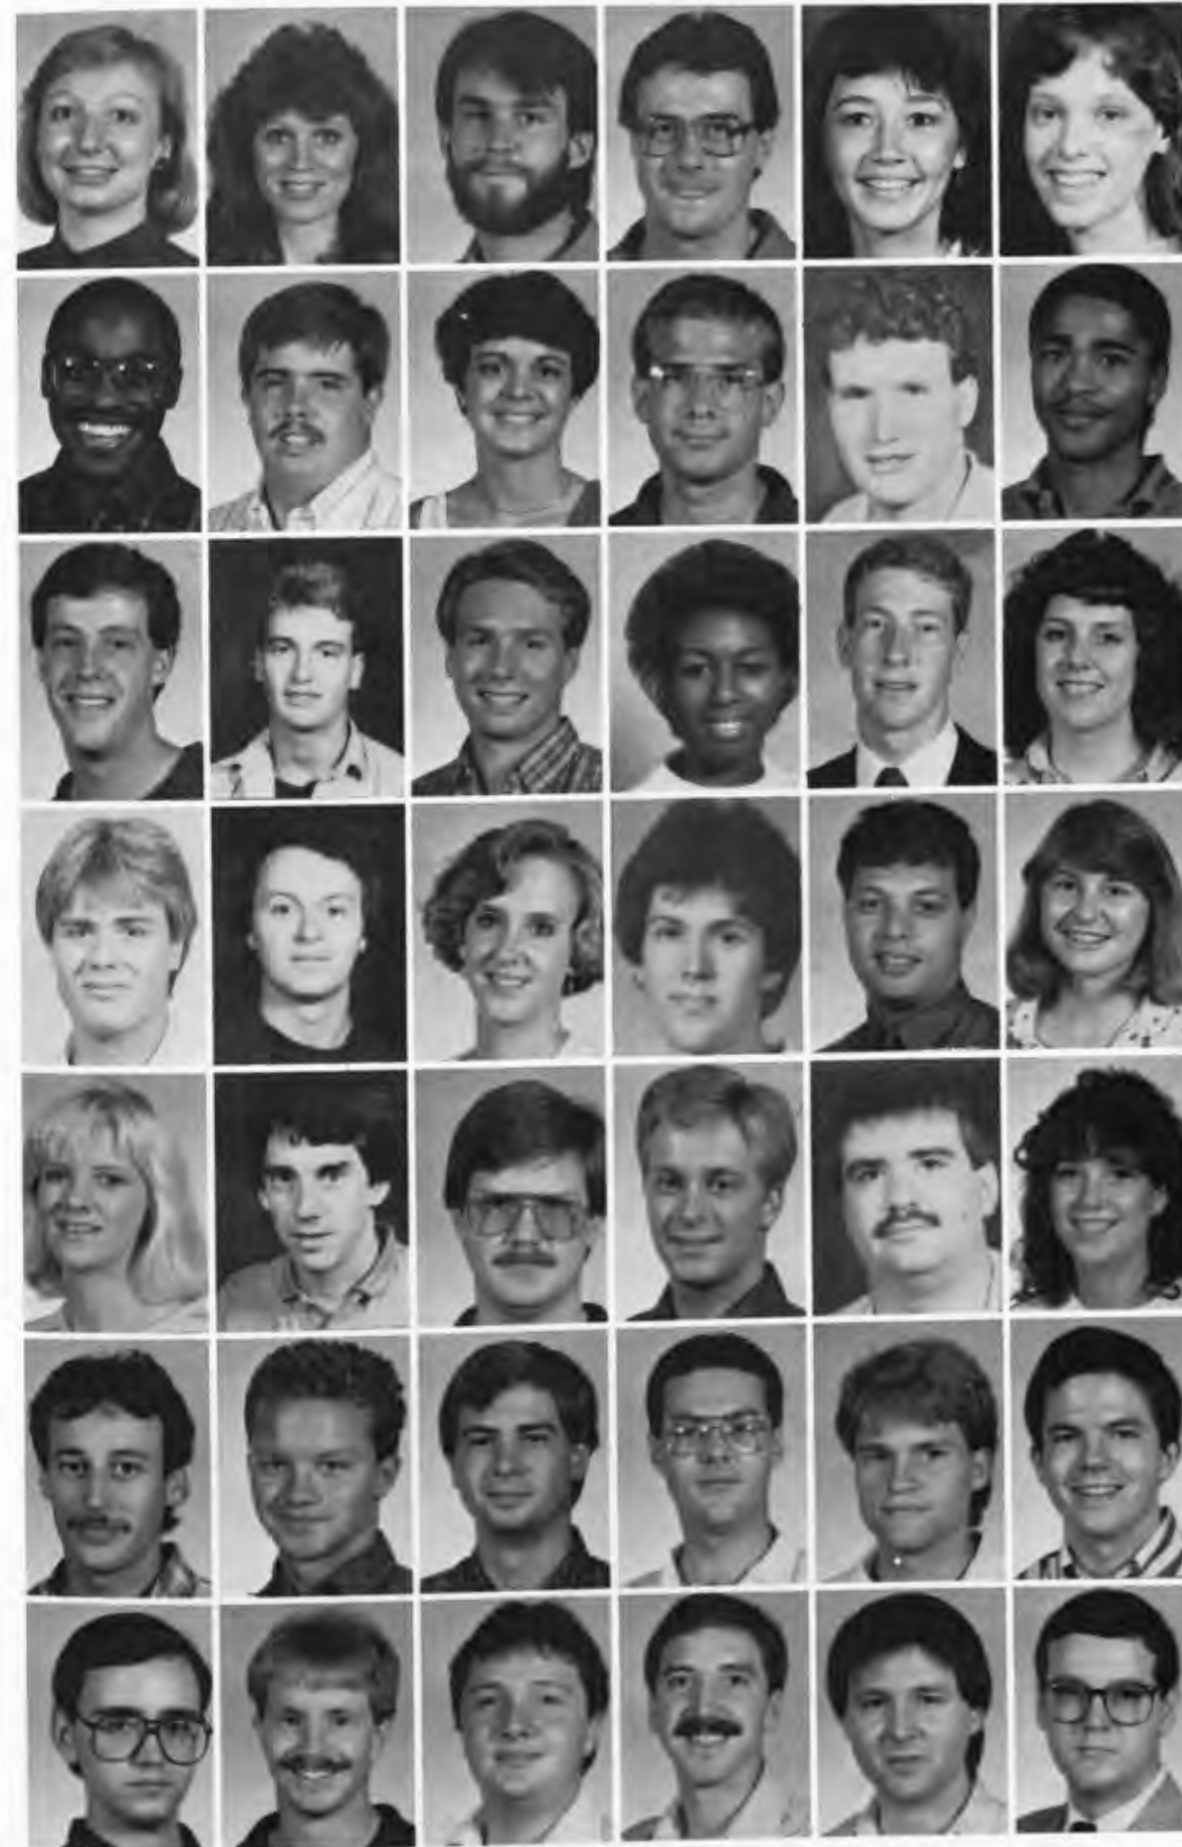

Med students are a crazy lot  
 It's very plain to see  
 We spend two years engorging facts  
 And drinking much coffee  
 Then with anticipation  
 We enter the year three  
 Only to discover

An absent memory  
 But all in all it's not so bad  
 It's even fun to be  
 On the verge, in one short year  
 Of being an M.D.

Well, we've finally made it over the hump! It's taken us several years to get to this point and now it's time to begin to reap the reward. Sure it's been tough but someday we'll be able to look back reminiscently and remember these "good ol' days."

We've joined together from all over the world and from every walk of life for one purpose — to exemplify the ultimate message of servanthood to the human race as best we can, so that we may leave a lasting positive impression on every individual we may come across during our short span on this earth. Though we may never again be together as a unified class (except at graduation), we have already formed a camaraderie as we have established

friendships that will last a lifetime and will reach around the globe. As we begin to walk the stark white halls and as we each begin to go our separate ways, we must realize the influence we have on all those around us, for we treat not just their physical and mental health, but we also affect their attitudes, relationships, spiritual life, family life, and social responsibilities. So let's keep in mind the importance of our future careers doesn't lie in prestige, pleasure, pride, or power — but in helping others around us as best as we can.

The end of our first year in medical school: It seems like a decade and a week at the same time. (Orientation lasted at least five years.)

Rotting cadavers, interminable buffer-acid-base calculations, brain-slice hors d'oeuvres, pink blobs on Histology slides, all are but faint memories now — not that they were ever much more than faint memories.

Bleary-eyed, slightly stunned, and yet, somehow relieved, we have staggered out of the M-1 door to see there is indeed a tunnel at the end of the light. 1010 days until graduation.

The Omega Chapter of Alpha Kappa Kappa prides itself on being a relatively small yet a tight-knit and active group. Our fraternity house is located at 747 Court Avenue and provides housing for 15 members. Over the past year numerous projects have been undertaken to improve the aesthetic quality of life at AKK, foremost among them were the purchase of new furniture and a new computer system, and the landscaping of our front lawn.

During this past year the chapter and its advisor, Dr. Hershel P. Wall, have made a concerted effort to keep our alumni informed about our activities and to get them more involved. And the reinstatement of monthly dinner/speaker meetings with relevant topics of interest in medicine has helped renew our dedication to academics outside of the classroom and the clinics.

AKK has its share of parties too! Beginning with a cookout and party to welcome the incoming M-1's, this has been a festive year for AKK. Other social activities included a joint party venture with Kappa Psi, our traditional Christmas party, the annual Super Bowl Sunday Blowout, and Spring Retreat.

Alpha Beta Chapter of the Phi Chi Medical Fraternity is proud to have celebrated its 75th anniversary this year. In September, Alpha Beta Chapter was honored to host the centennial anniversary of the Grand Chapter of Phi Chi. Delegates from across the United States and Canada were on hand for this historic meeting of our national fraternity.

Socially, it was a very exciting year with several rush functions, major parties and small chapter parties. Once again, the Phi Chi Spring Graffiti Party was a great success. We continued to upgrade our house, Baldaur II, with additions to our office and recreation room. Constructed in 1970, we have a complete housing facility with 28 private rooms, parking, a complete central kitchen, a dining room, a library, a large party room and a recreation room. Many fall Saturdays were spent watching U.T. football games on our wide screen TV. Our recreation room has been upgraded and offers a pool table, ping-pong, juke box and a lounge area with TV.

Our officers for this year included: Chris Frazier, President; Deaver Shattuck, Vice President; Lee Berkenstock, Treasurer; John Bush, Secretary; Keith Sanford, Presiding Senior; Todd Stiles, Presiding Junior; Allen Blackwood, Social Chairman; Gene Crafton, Rush Chairman; Randy Copeland, Athletic Director; and Carla Braxton, Alumni Coordinator.

Friends for a lifetime . . .

Many thanks to the office of Student Life, especially Pam Moon, Jan Dugan, and Karen Williams, for guiding me through the production of this section of the *Asklepieion*. I'd also like to thank those who contributed their photographic talents, especially Gil Thayer and Jan Dugan, who worked endlessly. Finally, I thank my wife, Tamila, who urged me to get involved and helped untiringly.

The last four years can never be adequately chronicled with a few pictures and words, but I hope I have helped add to the precious memories of times spent with friends as we strive to attain the science, and practice the art, of medicine . . .

# STUDENT COUNCIL

The Student Council consists of elected members of the Junior and Senior classes along with their faculty advisors. This group meets weekly to plan community service projects, social functions, fundraising activities and to address issues and concerns of the students in the College of Nursing.

The goals of this year's council include increasing student participation in NSNA activities and attendance at the state and national conventions, promoting faculty and student relations and communication by reaching out to high school students to encourage nursing as a career choice and promoting the image of nursing.

Seated, L to R: Stephony Gatlin, David Reed, Lori King, and Mary Lee Joyner. Standing, L to R: Amy Melton, Emily Piercey and Kelly Williams. Not Pictured: Lesa Mosley.

# HONOR COUNCIL

Seated, L to R: Sarah Ridenhour, Regina Somerville, Kelly Taylor and Daniel Celeski. Standing, L to R: Kim Dunivant and Phil Bateman.

Our academic behavior as UT students is guided by the ethics established in our Honor Code. The Honor Code is based on the belief that professionals preserve high standards through peer critique and evaluation. Briefly, the Honor Code states that we will not cheat or tolerate those who do and will conduct ourselves in a professional manner. Violations are brought before the Honor Council and if deemed necessary, punitive actions are taken.

# AINS

Standing, L to R: Daniel Celeski, Teresa Steele and Brad Forgy. Not Pictured: Brent Earwood.

The Assistance for the Impaired Nursing Student program was initiated to respond to nursing students suffering from chemical dependency and/or other problems. Community professionals and student representatives compose the AINS council. They offer guidance, support and referrals. The aim of the program is to increase the awareness of such problems within the college of nursing and to help the impaired student to succeed as a student and as a nurse.

# First Impressions

"The UT College of Nursing has challenged me scholastically and mentally beyond my expectations. I feel the various components of the program have demanded the best of me, and for this reason I will be better qualified as a future health care professional."

— Kelly Williams

"Excited! I felt like a freshman playing follow the leader . . . Is there anyone else my age? Where do I go and what is next? Why can't I understand my syllabus? Oh yeah, WHEN DO I GRADUATE!?"

— Sarah Ridenhour

"Initially, UT Memphis captured my academic interest with its supportive administrative faculty, scholastically impressive professors, and prestigious aura. Presently, UT still proves intriguing."

— Zxlema Smith (alias "Z")

"Before coming to the UT College of Nursing, I had planned on being faced with many challenges and knew survival would be hard work. Well, it has been and continues to be a series of obstacles which I am daily overcoming. I feel school is tough and should be in preparation for the future. I am thankful to be at UT and know my educational and clinical experience here will be a key factor in my future success as a nurse."

## National Student Nurse's Association

The National Student Nurse's Association is an organization comprised of nursing students across the country. The organization provides nursing students with an opportunity to become involved in various political aspects of nursing as well as providing a channel through which each individual's voice can be heard at the local, state and national level. This organization has constant direct contact with the Tennessee Association of Nurses and the American Nurses Association. By being an active member of NSNA a student learns valuable information about their career choice as well as an opportunity to influence nursing practice in the future.

## SENIOR TRIP: Class of 1991

The Class of 1991 struggled through two months of modules in anticipation of our much awaited Senior Trip. Finally, October 22, 1989 came and 35 sleepy-eyed students and Dr. and Mrs. Wojciechowski boarded the bus to Indianapolis. After three days of being pampered by Eli Lilly, we were on our way to Chicago. Our trip gave us many memorable moments, especially the following highlights:

Eli "Don't take pictures or you'll give away our secrets" Lilly; Dr. and Mrs. Norbert "Family Tradition" Wojciechowski; Tom "I have to see Wrigley Field" Campbell; Steve "Pass me the food at 5AM" Porter; Dale "Party Balls" Larkins; Nancy "I'm cuckoo for CocoaPuffs" Beck; Scott "I've got the 'look' again" Akers; Wade "I can sleep through any party" Stanley; Scott "Give me another bucket" Jones; Kim "Silly String" Lusk; Luther "What do you mean dance? I can't even walk!" Little; Beth "Get out of my bucket, stranger" Zachary; Steve "Give me another wake-up call" Hadley; Tiffany "I've started a sick epidemic" Montgomery; Eddie "I gotta go back" Underwood; Mitzi "Don't steal my Pepto Bismol" Stover; Laura "I did Neiman Marcus in five minutes" Blanks; Jennifer "I got Harry Caray's autograph" Rein; Ivy "I'm finally keeping up with the rest of them" Lee; Michelle "I'm gonna stay out all night" Crane; Kelley "Victoria's Secret" Lee; Stephanie "Are we gonna walk there?" England; Barry "Don't touch my hand, but give me another watermelon shot" Tucker; Tom "Saturday Night Fever" Scandlyn; Kim "I have to be home to get Eddie's call" Hart; Joe "Pour me another Weiss beer" Long; Bryan "Jack in the Boot" Robinette; Stuart "I Love this food in Skokie" Lessenberry; Mark "Darn, I missed the trip to Searle ... Awww" Morrow; Carla "Fritos and Sprite" Orr; Traci "What's that shot glass for?" Bryant; Dawn "I don't know which sandwich to get!" Wilson; LuAnn "Mary Wilson — Supreme #1" Crussell; Lisa "Diana Ross — Supreme #2" McHenry; Anna Beth "Cindy Birdsong — Supreme #3" Portrum; Cynthia "I'll just buy one more souvenir" McCain; and Laurie "I can't believe I spent \$6.95 on this drink!" Smith.

After spending six jam-packed days in Indianapolis and Chicago, we learned a lot of new things about each other. Although we had to wait three years for our trip, it was worth it! We'll never forget it!

## Phi Lambda Sigma

Phi Lambda is making its mark on UT Memphis by recognizing those students who show outstanding leadership qualities in the field of pharmacy. Phi Lambda Sigma is the Pharmacy Leadership Society and it is a great honor to be chosen to be among its members. These members are not only leaders now, but will almost certainly go on to be leaders after graduation and be of great service to the profession of pharmacy.

Front Row: Bryan Robinette, Vice President; Laura Blanks, Secretary; Lisa McHenry, Historian; Cindy Taliaferro, President. Second Row: Julie King; Ann Jones; Kim Hart, Treasurer; Sherry Dunn.

## Rho Chi

Rho Chi is an academic honor society that accepts the top 20 percent of the class. It is certainly an honor to be a part of this prestigious group. The members provide several services to the college of Pharmacy including the annual used book sale and the selling of the *Remington Pharmaceutical Sciences* book and other required textbooks at a reduced cost to students. Rho Chi holds its annual initiation banquet in the spring.

The Academy of Students of Pharmacy is an organization that almost every pharmacy student is a member of and therefore it provides numerous opportunities to every student. This year the ASP regional convention in Gainesville, Florida, Tripartite in Nashville, and the national convention in Washington D.C. offered students a chance to meet pharmacists and pharmacy students in all fields of study and from all parts of the country. ASP also provides many activities here at UT Memphis including the Drug Fair, which provides students an opportunity to become familiar with products from many drug companies. ASP also sponsors the Patient Counseling Competition for pharmacy students and brings speakers to campus to update students on health care topics. An annual golf tournament is sponsored by ASP also. The school year is concluded with the ASP banquet held during Pharmacy Weekend. This is an occasion to honor exemplary pharmacy students and faculty, as well as to welcome new students.

**First Row:** Nancy Beck, Julie Palmer, Anna Beth Portrum, Tina Psihogios, Stacey Mansfield, Elizabeth Logan, Vickie Bilson, Maureen White, Julie Cooper, Celena Wilson, Eddie Underwood, Connie Johnson, Laura Blanks, Crista Tate, Robin King, Lisa Timberlake, Wayne Mitchell. **Second Row:** Mark McMinn, Ivy Lee, Beth Zachary, Missy Brunson, Cathy Prather, Shannon Dzurisin, Keith McGee, Kelly Simpson, Amy Aldridge, Patricia Miranda, Jimmy McBride, Anne Brickner, Cathy Eschmeyer, Kim DeVore, Tim Pauley, Kelley Lee, Laurie Smith, Lynn Blackwell, Kim Hart. **Third Row:** Greta Heilker, Janie Daniel, Robbie Price, Steve Groom, Rachel Erranton, Steve Lane, Jason Coleman, Dede Staley, Rob Ervin, Lisa Daley, Michael Wright, Kent Stoneking, Kelly Taylor, Jason Batchelor, Marsha McBride, Mark Morrow, Wade Stanley, Cynthia McCain, Kim Lusk, Tiffany Montgomery, Carla Orr, Richard Randolph. **Fourth Row:** Dipti Shah, Margo Nicks, and Suzanne Kirk.

Kappa Psi, the oldest and largest of all professional pharmacy fraternities, has really had a great year at UT Memphis. A super Rush period, including the traditional "Welcome Back" party and the now-annual Buffalo River Canoe Trip, started this year and gave us 37 new pledges. Service projects for the year included Christmas parties for the children at St. Jude and The Porter-Leath Home, food and clothing drives for MIFA, and a visit to the VA Nursing Home to spread the holiday cheer. Kappa Psi's are very involved in the community, yet we like to have fun, too. The Big Brother/Little Brother Banquet, the annual Riverboat Party (this year with Brothers from Arkansas and Mississippi), and a fundraiser with Phi Delta Chi and ASP for the United Way are perfect examples of this. Intramural sports are another outlet for our Brothers and Kappa Psi very often comes out with top honors.

**Kappa Psi Officers:** **Front Row, L to R:** Wayne Mitchell, Chaplain; Celena Wilson, Corresponding Secretary; Richard Randolph, Regent; Julie Cooper, Social Chairman; Steve Groom, Vice-Regent. **Back Row:** Carla Orr, Recording Secretary; Ivy Lee, Historian; Beth Zachary, Historian; Maureen White, Social Chairman; Suzanne Kirk, Treasurer. **Not Pictured:** Mary Margaret Laughlin, Vice Regent; Robin King, Liaison; Tara Moore, Rush Chairman; Barry Tucker, Athletic Director.

# PHI DELTA CHI

Phi Delta Chi, a professional pharmacy, carries a tradition of commitment and school service and this year was no exception. A successful rush started Phi Delta Chi's 1989-1990 school year off with a bang! This year Phi Delta Chi participated as volunteer workers in the Big Brothers/Sisters of Memphis' annual carnival. They donated blood and time and were the winners of the blood drive competition for Lifeblood. For Thanksgiving, the brothers collected canned foods and clothing for the Metropolitan Inter-Faith Association (MIFA). The brothers continued the tradition of visiting an area nursing home and celebrated Christmas by giving gifts and singing carols to the residents. At their annual Christmas party, the children of Big Brothers/Sisters again joined the brothers for a dinner, caroling, and a visit from Santa Claus. School service is also a tradition and Phi Delta Chi continues to support the College of Pharmacy through various offices, organizational, and committee positions. In addition to making their mark in service, Phi Delta Chi has made their mark in fun by hosting campus wide parties including the annual jungle and M\*A\*S\*H\* Parties.

# SNPhA

The Student National Pharmaceutical Association is really leaving its mark on UT Memphis by being its newest organization. The chapter was founded on a January 9, 1989 by nine students in the College of Pharmacy. The mission of the SNPhA is to meet the challenges of the pharmacist and to direct health care expertise to improving minority communities. SNPhA further pledges to work with other organizations in the pursuit of charitable and educational objectives. This year SNPhA has been involved in many community projects, including a pharmacy career enrichment day at two area high schools and a blood pressure screening for the elderly. SNPhA also sponsored a blood drive competition between UT Memphis and Memphis State. UT Memphis won the competition by donating 170 pints of blood and the College of Pharmacy won the College challenge. The members also hope to expand their membership in the coming years so that they might be of greater service to the community and to the field of Pharmacy.

## HONOR COUNCIL

The Honor Code of the University of Tennessee insures that student academic affairs will be conducted with the highest standards of responsibility and thus promoting professional integrity. The Honor Council of the College of Pharmacy is made up of three elected representatives and an alternate from each class. Thus it is to be considered an honor to be elected to this council and shows leadership and trustworthy characteristics.

## PSGA

The PSGA has had a very productive 1989-90 school year. The year began with a student leadership retreat, where representatives from each of the four pharmacy classes discussed special concerns and problems affecting the College of Pharmacy. There are plans to make the day-long retreat an annual event. Several pharmacy students were involved in formulating the Chemical Obstruction to Pharmacy Education (COPE) Program. This program will help to detect and treat substance abuse problems among students. The PSGA also kept busy raising money with the SGAEC for the Church Health Center. It is always satisfying to the students to participate in community service projects. In looking over the past year, it has been a pleasure working with our advisors, Dr. Dick Gourley and Dr. Jim Eoff.

# 1990 ASKLEPIEION STAFF

1990 Asklepieion Staff members include, **L to R:** April Dunlap, Trisha Davis, Gil Thayer, Stephen Keesee, Jacky Doty, Pam Moon, Vivian N. Reesman, Karen Williams, Kenton Johnson, Greta Heilker, Keith Graham, Suzie Hunt and Jan Dugan. **Not Pictured:** Martha Williams, Denise Springer, and Janet Dillard.

The theme of this edition of the *Asklepieion*, "UT Memphis is . . ." allowed for individual expression by the editors about their colleges. Each editor gathered facts and opinions from fellow students to create the description of their colleges throughout the book. UT Memphis is a thriving, stimulating health science center with students who are motivated, energetic and enthusiastic about the health care profession. This yearbook captures the essence of the UT Memphis student experience and serves as a permanent record of the year. The best thing about the yearbook is the dedication and commitment that it requires to pull it all together. Without the responsible and dependable student staff members, there could not be a quality yearbook. These students contribute hundreds of hours to the production of the yearbook which includes planning, writing memos, making telephone calls, taking photographs, drawing layouts, identifying pictures, typing copy, cropping pictures and reviewing proofs. Many personal sacrifices are made in order to meet deadlines. Please let the staff know that you appreciate their efforts!

Since we began producing the yearbook again in 1985, Suzie Hunt has been a part of the staff. This is Suzie's last yearbook since she and her husband, Jay, are moving to Pittsburgh to pursue new careers. Suzie has been very dedicated to the production of each of the five yearbooks she has helped create and will be greatly missed for both her publication expertise and her friendship. Kenton Johnson has been on the staff for four years as co-editor of the Dentistry section of the book. It has been said that if you want to get something done, give it to a busy person. Kenton is the busiest person I know, but somehow he always manages to get it all done! We will miss Kenton's positive outlook and charming personality along with his yearbook experience. Thanks, Kenton, for four years of outstanding work with the *Asklepieion*! Two-year veteran staff member Stephen Keesee will also be missed since he is also a senior dental student. I would like to offer a special thanks to Vivian Nichols Reesman for meeting every single deadline. Despite the fact that Vivian had a big wedding to plan in the middle of the yearbook season, she did an excellent job with the that Vivian had a big wedding to plan in the middle of the yearbook season, she did an excellent job with the nursing section. Thanks also to the three pharmacy editors, April Dunlap, Trisha Davis and Greta Heilker, who were all new to the staff and also met all the deadlines. You did a great job, ladies!

The most difficult section in the book is the Medicine section. This year's editor, Keith Graham, dedicated many long hours to putting it all together. His sincere dedication and concern to provide the best possible depiction of the medical student experience is reflected in his pages. Thanks also to Tammy Graham, Keith's wife, for her help in typing, drawing, calling and coordinating things for Keith when he was busy caring for patients.

Jacky Doty, Allied Health editor, also had a challenging experience trying to put together her section. Jacky's creative ability and attention to detail is noticeable in her section. Thanks, Jacky, for making your section very unique and artistic. You really have a flair for publications! Social Work can also be proud to have an excellent section this year thanks to the hard work of Martha Williams.

Thanks also to my boss, Bill Robinson, for allowing me the opportunity to work with the yearbook staff. It is a wonderful experience to get to know all the students as we work together night and day. Without Bill's commitment to the *Asklepieion*, I could not be as involved as I need to be on a continuous basis. Thanks also to Liz Roemer for coordinating the senior portraits in her usual timely and efficient manner. We couldn't do it without you, Liz. Thanks also to Lori Hartman, intern, for helping with the final deadlines! You saved our lives!

A wonderful thing happened this year for the staff. A first year medical student, Gil Thayer, wandered into my office and signed up to help. Gil is a professional photographer and we are so grateful for his expertise and enthusiasm. We would not have had a book this year without you, Gil. Thanks for your commitment and your willingness to go "above and beyond the call."

We are also indebted to many area hospitals including the Veteran's Administration, LeBonheur Children's Medical Center, William F. Bowld and the Regional Medical Center at Memphis, for allowing our photographers to use their patients and facilities for many of our pages (with permission, of course!).

I have truly saved the best for last. A special thank you for Jan Dugan, Senior Administrative Services Assistant in the Office of Student Life. Jan is the glue that holds the yearbook together. Despite her delivering a delightful baby girl, Erin, on August 25, Jan came right back to work after a modest maternity leave and never missed a beat at work. Thank you for your hard work and dedication to this book, Jan. Thank you also, Erin, for sharing your mommy with us!

This seems to be a year of farewells as many of the editors graduate and move on to their careers. Our long time friend and helper, Karen Williams, will also be moving on as her husband, Jay, graduates and enters a medical residency outside of Memphis. Karen has been here every step of the way for the past four editions of the *Asklepieion*, doing all the administrative tasks and helping us coordinate the whole thing. Above all, Karen's attitude and spirit will be missed because she keeps us all in a cheerful mood on a daily basis. We'll miss your help, Karen, but most of all, we will miss you!

UT Memphis, you are fortunate to have such a wonderful group of people working together to bring you this wonderful publication! I wish you all many happy memories.
