Aesculapius

(as depicted in the American College of Surgeons Seal)

Asklepieion is a word derived from the name of Aesculapius, the Greek god of medicine and healing. Aesculapius was honored and worshipped throughout the Greek world by persons seeking the healing powers of the physician. Temples were erected in honor Aesculapius near healing springs or high mountains. Those who worshipped him were known as Aesculapae. Therefore, the temples in his honor were known as Aesculapions (Asklepieions). In the ancient city of Memphis, on the Nile River, there was a temple where people went for worship and for care. In our own city of Memphis, on the Mississippi River, people come to our Asklepieion for healing and care.

MAKING A STATEMENT ON BEHALF OF THE STUDENTS

“ Having the opportunity to be involved in decisions to improve student life at this university has truly been an honor for me. I feel that the most valuable aspect of the job is being able to meet and work with such an incredible group of people. The presidents of the individual colleges here on campus are so dedicated to students and it really shows in their representation on the SGAEC.

STUDENT ORIENTATION STAFF

Several times each year the Office of Student Life calls on the various colleges to send us some of their best students. These potential leaders undergo thorough training in the fine art of orientation. All new incoming students are turned over to the SOS leaders for an informative tour of the UT Campus and its facilities. Our hats go off to these daring students who will someday carry on the great tradition of community leadership that UT Memphis has created.

SAY LEADERSHIP?

“ Being involved in the orientation process as an SOS leader was a great experience. The opportunity to show students the campus and tell them about the university was as beneficial to me as I hope it was for them.

Chris Sherrell, College of Medicine

Above: Incoming student can not wait to see what is inside her goody bag, the anticipation is killing her.

Bottom Left: SOS Leader hands out goody bags to the anxious new students. Above Middle: SOS Leader's Angela Banks and Fred Gattas of the College of Pharmacy listen intently to the instructions being given at the SOS training session.

DEDICATED TO THE ONE WE LOVE.

The Office of Student Life, and the SGAEC, on behalf of all the students at UT Memphis, want to dedicate the 1999 issue of the *Asklepieion* to the honor of Pamela A. Moon, Ed.D. Pam has spent the last sixteen years serving the UT Memphis students both as a friend and advisor. Unfortunately, she is leaving the University this year. We will always remember Pam for her caring and thoughtful attitude, as well as her cheerful nature. To list all the things she has done for the students and the University would occupy the whole yearbook. Thanks again for all you have done Pam. You will always be a part of us.

Even with all the *stress* and hard *work*,
UT Memphis students can still have *fun*.

STUDENT LIFE

A bold statement on the other side of campus life.

Each term the Office of Student Life administers student activities which provide an opportunity for students, and their dependents, to escape the ongoing stresses of their educational experience. These special events are planned, promoted, and carried out with the assistance of the student Entertainment Committee and members of the SGAEC. Some of the more successful events this past year were the ever so popular "5:00 Friday" social gatherings, the "Coffee Break" held during the lunch time, and the first annual "Student Appreciation Day" which consisted of a huge picnic in the park and a fun-filled night of rock 'n' roll at the New Daisy Theatre on Beale Street.

5:00 FRIDAY!

Free food,
free pizza,
say no more.

A smile is one expression that makes a very strong statement. Every year the Office of Student Life spends countless hours, with the help of the student Entertainment Committee and the SGAEC preparing an ongoing series of social mixers that has come to be known as "5:00 Friday". This past year we went to several places around town such as the Rum Boogey Cafe and the Memphis Pizza Cafe. Literally hundreds of students turned out for these events. As depicted in these photographs, there is no doubt that this series of social mixers is very successful and serves a useful purpose.

Top Left: Students converged on the Rum Boogey Cafe last Fall for one of the most fun-filled 5:00 Friday's to date.
Top Right: It was nothing but good times and laughter as UT Memphis students took over the Memphis Pizza Cafe.

"The bottom line is the reaction of the students. One smiles makes all the hard work worthwhile."

Middle: The tables reached full capacity at the Rum Boogey Cafe.
Bottom Left: No, I do not have a giant beer growing out of my back.
Bottom Right: There wasn't a seat left in the house at the Memphis Pizza Cafe. It helps to know somebody.

A strong statement directed at the student body...

STUDENT APPRECIATION DAY

The first annual Student Appreciation Day held on Friday, April 16th, 1998 was a tremendous success. The "Picnic in the Park" attracted over 600 students. Our students took over Forrest Park for an afternoon of free food, fun, and games. Many great door prizes were donated by various sponsors. Later that evening, the New Daisy Theatre was rockin' with "The Five Who Framed OJ." Hundreds of students came out to world famous Beale Street to polish off the day with a great party! The memorable event was organized by the Office of Student Life, the SGAEC, and the Entertainment Committee.

Expresso yourself!

On November 16, 1998 nearly three-hundred (300) students along with a few faculty and staff members came through the south lounge of the Student Alumni Center for a taste of some deliciously flavored international coffee. The Office of Student Life, members of the Entertainment Committee, and the SGAEC served up coffee that originated from four separate continents from around the world. Flags from around the world were flying high as this was turned into an event with international flavor bringing students from all the colleges together. The musical entertainment provided by first year dentistry students, Ryan Bowles and Fayette Williams, was in very good taste. Of equal taste, was the coffee, tea and cookies that were provided free of charge to the students. This being the first "Coffee Break" held for UT Memphis students, the overwhelming support from the student body was very encouraging. It was almost as strong as the Sumatran blend.

SCREAM

The Student Recreation Center gym was turned into a House of Terror (not really) this past Halloween. The University Health Services Office was giving their annual free flu vaccinations, and as always the Office of Student Life turned it into a big party. With the support of the SGAEC and the Entertainment Committee, treats were provided for the brave. Pharmacy students were the ones giving the shots. Thousands of students, faculty, and staff showed up on October 29, 1998 for a free flu shot and some free treats at the Boo! Flu event.

“Actions speak louder than words.”

Campus RECREATION

The Office of Campus Recreation is a focal point for recreational opportunities at UT Memphis. Physical activity plays a vital role in the development and maintenance of a “healthy, well-adjusted” individual. The programs offered by Campus Rec are a means to educate, provide opportunities for competition and social and personal interaction between students, provide assessment and guidance in the area of fitness, and to provide student leadership opportunities.

OUTDOOR ADVENTURES

The sounds of nature speak volumes...

The Outdoor Adventures Program provides opportunities for personal challenge and discovery. Our goal is to provide an enjoyable and worthwhile experience by introducing students to the many areas in Tennessee and nearby regions that offer outdoor recreation opportunities. Participants are instructed on a variety of skills such as camping, canoeing, reading a trail map, trip planning, and wilderness cooking. These skills can then be transferred to our personal lives giving us the ability to take charge of our own circumstances, overcome fears, and become active in group decision making.

The Imhotep Society

In 1980 the Imhotep Society became an officially recognized organization on campus, for the purpose of honoring students, faculty, staff, and alumni who have significantly contributed to student life and student process at UT Memphis. It was recognized that many student leaders, in performing their functions and assignments, may have sacrificed high academic accomplishments and thus did not receive recognition through those organizations which traditionally honor students for high academic achievement.

While the principle objective of the Imhotep Society is to reward and recognize student leadership and service on campus, a secondary goal is to inspire students to continue leadership and service roles as alumni of the University.

AMERICAN STUDENT DENTAL ASSOCIATION

Matt Brock, ASDA President

The American Student Dental Association of the University of Tennessee, Memphis, serves as the student governing body of the College of Dentistry. Membership is optional for all students. The Executive Council consists of elected representatives from each class, dental fraternity presidents, and class presidents. The Executive Council also consists of five positions which are filled by an election of the entire student body. The ASDA meets weekly over lunch to discuss matters which need to be ironed out in the dental college, whether it is in relation to the administration, faculty, or student life.

Front Row L-R: Ben Cannon, Stuart Williams, Tina Halter, Andy Curry, Preston Miller. Back Row L-R: Ben Stroud, Denny Lim, John Rowe, Jason Kaplan, Sabin Ewing.

Psi Omega

Front Row L-R: Greg Grobmyer, Jody Griffin, Matt Brock, Dr. Barry Owens, Andy Curry. Second Row L-R: Darron Cooper, Scott Denton, Giles Damron, Andy Huttula, Kevin Smith, Yvette Burns, Brian Schenck, Preston Miller. Third Row L-R: Tina Halter, Lance Ashlock, Liz Earls, Clay Sparrow, West Lewis, Rochelle Fuqua, Will Tompkins, Jason Landers. Back Row L-R: Bill Eggert, Lance Osborne, Scott Hill, Mike Curry, J.B. Suffridge, Rodney Griffin, Bill Dunklin.

Psi Omega was founded in Georgia in 1842 by William Hamilton and one of his colleagues. Since then, this two member fraternity has grown to cover the nation and to join thousands of dental students and alumni as brothers. Psi Omega at the University of Tennessee has been an important part of campus life for decades by having numerous campus gatherings. Psi-O was founded to establish a means for students to get to know one another, to form friendships, and to help each other. The basis of Psi-O is that there are other outlets besides academics that are important in obtaining a well-rounded education. Psi-O, therefore, is an active member in intramural sports, charity fundraisers, and parties. Psi Gamma Chapter here at UT is proud of its members.

First Row L-R: Shawn Lehman-Grimes, Brian Fann, Jason Kaplan. Second Row L-R: Denny Lim, Jay Davis, Clarissa Sotomora, Deborah Robbins, Stacey Swilling, Lori Radford. Third Row L-R: David Reynolds, Jason Kyles, Chad Johnson, Sabin Ewing, Murat Ayik. Fourth Row L-R: Will Middlecoff, Jon Long, Michael Spraker, Erwin Ricafort, Fred Jones, Monty Heathman.

Xi Psi Phi Dental Fraternity is cordially known as the ZIPS. Locally, the Alpha Omicron Chapter has over eighty active members. Together, with their faculty representatives, the ZIPS are a group dedicated to the dental profession and to the promotion of organized dentistry throughout the dental education and beyond graduation. The ZIPS are the only dental fraternity which owns a fraternity house located off campus at 249 Garland Street. There is a fully-equipped lab that is always available for use by members. The fraternity hosts several campus-wide parties as well as various guest lecturers. The ZIPS believe in constantly supporting its members as they stand by their motto: "Hospitality is the Life of Friendship."

Front Row L-R: Denean Carr, Jewel Smith — President, Corey Newsom, Tracey Christian, Portia Grayson, Sherrye Cosby.
Back Row L-R: Dr. Waletha Wasson, Tauheedah Muhammed, Darton Taylor, Daniel Freeman, Keith Taylor, Rodric Miller.

Vacora Oliver and Tauheedah Muhammed attend 1998/1999 NDA Inaugural Ball of Dr. Cynthia Hodge (President of NDA).

Keith Taylor (National Vice-President of SNDA) gives welcome at Inaugural Ball.

UT College of Dentistry Student Life

“

I am very proud of the accomplishments of each and every student and faculty who represent the College of Graduate Health Sciences at UT Memphis, and as such continue to make my position enjoyable and fun.

▷ LOONEY: Being at the bottom of the class is like being its foundation. The only problem is I keep getting stepped on.

Preparing for the Boards:
A little knowledge is a dangerous thing.

▷ JB & GLEN: "Tis healthy to be sick sometimes." (Henry David Thoreau)
▷ LAURA to KIRK: "It often happens that the sicker man is nurse to the sounder." (Thoreau)
"Syphilis stimulates every other disease. It is the only disease necessary to know. Know syphilis . . . and all other things clinical will be added to you." (Sir William Osler)
◁ SEEMA: I wonder if what Osler said is true . . . Maybe I'll just study syphilis for the boards. I'm bound to pass.

◁ KERRI: Oh my God! Do you realize we take boards this year!
DUSTIN: Boy, a little information is a dangerous thing uh Kerri.

◁ SONALI & DR. JONES: Homonyms only an M2 understands . . . Bored and Board.

Autopsy Call & Intro to Clinical Skills

"To study the abnormal is the best way of understanding the normal." (Wm James)

It is astonishing with how little reading a doctor can practice medicine. (Osler)

◊◊◊◊ Dan B. & Mark B. in heart pathology lab.

◊ "The light of the body is the eye."

▷ Missy: Wow Noel! You have great flora.

▷ Rob S: Hey! Osler said "medicine is learned by the bedside and not in the classroom." So, I'm here to teach.

The College of Medicine Class of 2001 held what was undoubtedly the biggest Halloween party in school history. It was possibly the best party ever thrown in West Memphis. Some M2s dusted off those old costumes and broke out the fake blood. Some used a little creativity. Some used a little too much creativity (but we won't call any names, Nate). Regardless of how we came, we came with that M2 flava. Celebrating our recent escape from the libraries and study carrels to which we were chained during blocks, we partied until dawn in attempt to blow off school for the weekend. When all was said and done, we left ol' Donnis Quaid's movie set from "Great Balls of Fire" ablazin'. We were making our statement.

Kelly to Jenny: The camera is the other way you down. ²Ched: He must be related to Kyle-the-Party-Starters. ³Brian & Vincent: The Count and I are getting lucky tonight. ⁴Jeff S. & Co.: Let's rustle up some these here vittles... Umm! That's right tasty. ⁵Womback, Looney, Benetta & Tam: Were all in the house that night and they were mighty, mighty, just lettin' it all hang out. ⁶Glen & Wife: One word... newlyweds. Need we say more? ⁷Jeff G. in Star Wars '98: No, Luke, I'm your father. ⁸Adam: 2, 4, 5, 8... Who do we appreciate? ArcVentures, ArcVentures, yeah ArcVentures! ⁹Amber (as Zena the Princess Warrior) ¹⁰Andy & Melissa: The "Cat in the Hat" and the "Rat in the Hat" (Speedy Gonzales). ¹¹Gina & Jarvis: Looka' here... I'm promoting a new fight. The Oppressed People vs. the QCB Gladiators. It's called "One Will Fall in the Lecture Hall." It'll only cost you \$5. ¹²Nate: As a A) rejected transformer B) Inspector Gadget's abandoned twin or C) a M2 without enough resources with which to express his creativity. ¹³Seema, Friend & Erin: Three reasons many great men have fallen... Cleopatra, the girl next door, and temptation. ¹⁴JB & Wife: "If you want to be witty, work on your character and say what you think on every occasion." (Henri B. Stendhal) ¹⁵John S. & Rob S.: "Pride does not wish to owe & Vanity does not wish to pay." ¹⁶Dustin (as Mr. Hankey) with Jason H.: "Never forget from whence you came." ¹⁷Victor: Peace Mon. ¹⁸Kyle the Party-Starters: Party over here! ¹⁹Tonia as Medusa: "When gossip grows old it becomes myth." (Stanislaus Lec)

Introduction to Clinical Skills offered the M1s a chance for hands on experiences beyond the classroom. Opportunities to learn — and perform — abdominal, pelvic, and other examinations during the first year, reinforced the whole reason why we were here.

GROSS ANATOMY LAB-101

MDs 2B...Most Definitely!!

For many students, the anticipation of entering the gross anatomy lab for the first time conjured up feelings of anxiety, uncertainty, and probably, general fear. As the semester progressed and these feelings were replaced with those of confidence, once-novice dissectors became "experts" on finding and identifying various structures and the "smell" did not seem to be that big of a deal. Case studies, practice practicals, and last-minute, after-lab closing, night-before-practical study sessions made for many memorable moments. These are the experiences that we will cherish as we go on to become future physicians and leaders in the medical profession.

Like Wesley Hayes, by the end of Gross Anatomy Lab, most of us believed that we just about had this gross thing figured out.

HONOR MEDICAL SOCIETY

Beta Chapter

THE UNIVERSITY OF TENNESSEE

Alpha Omega Alpha is the only national honor society in the world. Its reason for being can be expressed in a phrase: to recognize and perpetuate excellence in the medical profession. As stated in the society's constitution. "Alpha Omega Alpha is organized for educational purposes exclusively and not for profit, and its aims shall be the promotion of scholarship and research in medical schools, the encouragement of a high standard of character and conduct among medical students and graduates, and the recognition of high attainment in medical science, practice, and related fields." ΑΩΑ elects outstanding medical students, graduates, alumni, faculty, and honorary members to its ranks. The society's key is designed after the Manubrium Sterni. The letters ΑΩΑ, engraved on the key, represent not only the name of the honor society, but the essential words in its motto:

Αξιπς ὠφελεῖν τοῖς ὑλγοῦντας

"To be worthy to serve the suffering"

Making a difference

The APhA Academy of Students of Pharmacy is an organization whose mission is to prepare pharmacy students to be professionals who provide and promote pharmaceutical care. With over 80% of enrolled students as members of ASP, we are the largest representative national pharmacy association. Our yearly activities include community service projects, legislative involvement, promotion of the profession, and practitioner development. Some of our projects include medication awareness clinics at area retirement homes, smoking cessation help booths, hypertension screenings at downtown shelters, as well as poison prevention visits and asthma education sessions at elementary schools. We also visit high schools to discuss the health professions and lobby our legislators about important issues in patient care. May our mission be accomplished when, through our profession, we have made a difference.

Above: This year for the first time, pharmacy students were given the opportunity to administer immunizations during Operation Immunization Week. Shawn McFarland, Operation Immunization Chair, gives Mary Moore (P-1) her flu shot.

During National Pharmacy Week, ASP sponsored a Halloween party at the Lebonheur Children's Hospital.

During the annual ASP Christmas Party at Dr. Stephanie Phelps house, it is a tradition to decorate the tree. Beth Presley, Carrie-Ann Segraves, Brandi King, and Stephanie Johnson help by stringing popcorn for the tree.

The Student National Pharmaceutical Association (SNPhA) was Founded in 1972 as the student affiliate of the National Pharmaceutical Association (NPhA). The first meeting was held on the campus of Florida A&M University, Tallahassee FL. SNPhA is an education and Service association of pharmacy students and high school affiliate members, concerned about pharmacy, and health care issues; and the need for greater minority representation in pharmacy and other health professions. The purpose of SNPhA is to plan, organize, coordinate and execute programs geared toward the improvement of the health, social, and educational environment of the community while providing opportunities for professional development.

Phi Delta Chi is a national coed professional pharmacy fraternity. Phi Delta Chi was founded in 1883 at the University of Michigan in Ann Arbor as the first pharmacy fraternity. The Chapter at the University of Tennessee is the Omega Chapter and it was the first pharmacy fraternity on this campus. The objective of Phi Delta Chi is to advance the science of pharmacy and to foster and promote a fraternal spirit among its members. This organization advocates brotherhood among its members and provides pharmacy students with professional performance, leadership skills, and social experiences to enhance their character.
