FROM THE PRESIDENT

I am honored to have been afforded the privilege of serving as the President of the UT Retiree Association for the 2019 calendar year. I join a team of enthusiastic and capable individuals on the Executive Board and we are all eager to enhance the role of the Retiree Association within the UTHSC family.

I also come with a sense of excitement for our organization. In order to serve the Retiree Association and move it forward, the Executive Committee is undertaking an important change in that we are requesting your participation in the overall direction of our group. Over the next several months, we are desiring to get your input into how to better our organization and some of the changes you would like to see occur. The Executive Committee has spent the better part of last year assessing our current mode of operations and laying the groundwork for this important transition. For our June luncheon, we will have a group participation and discuss novel ideas to help in the efficacy and growth of the organization.

Please contact me or any members of the Executive Board with suggestions. I look forward to engaging with all of you in serving our organization.

Bobby Thomas, President

JUNE “TOWN HALL MEETING”

Bobby Thomas and Pamala Vaughn

Mr. Thomas has worked for the UT Health Science Center for more than 30 years. Twenty-five of those years were spent in the College of Pharmacy where he served as Assistant Dean of Administration and as advisor of the Student National Pharmaceutical Association (SNPhA). Among his many accolades, he is best known for his firm belief in promoting inclusivity, fairness and excellence, where similarities and differences are respected and supported by ensuring the active participation of all.”

Pamala Vaughn worked with the Office of Finance and Operations. Pam was an integral part of the University for 29 years and her hard work, commitment and dedication in maintaining the financial integrity of the university is a tribute to her dedication.

This Luncheon is centered on the Retirees Association membership. As President Thomas said in his message, our members are asked to bring their ideas for areas of interest and growth they would like to see.
