## FROM THE PRESIDENT

As the 2020 president of the UT Retiree Association, I send my hopes that each of you have all started off the new year well. I'm grateful for the Executive Board continued confidence in my leadership. We feel we accomplished a great deal in 2019 and anxiously looking forward to greater things this year.

It's time to take the Retiree Association to new levels. Here is my plan.

We need to grow in membership and participation. I encourage you to remember how your remarkable contributions while in your respective capacities at UT positively impacted your work area. We are in desperate need of your time and talents now. The Retiree Association needs your voice and imagination at this crucial juncture. This includes faculty as well as staff members.

We will focus on our financial stability. With a solid financial foundation, we can provide more information for our members and fashion events that create opportunities for new off campus events for us to fellowship.

I hope you will join with me in this mission. It will happen with the strategic focus of a dedicated, professional force from our members. If you have ideas, suggestions or questions, please feel free to contact me at [bthomas@uthsc.edu](mailto:bthomas@uthsc.edu).

Bobby Thomas, President
