BOARD OF DIRECTORS MESSAGE

As we start the Retirees Association back up after a pandemic hiatus of more than two years, we are getting organized with most of our Board from March 2020 back to re-start new terms. We want to especially recognize retiring Board Member, Andrea Crisler, our Secretary and Newsletter Editor of several years for the many hours of hard work and dedication to our organization. We also thank retired Board Members, John Crisler and Marsha Ewart, for their many contributions as well.

We return to a UTHSC campus that is changed in many ways, which you will most likely first notice that we will be having our upcoming December Holiday Luncheon in the 910 Madison Building Human Resources Training Room. The Student Alumni Center (SAC) large meeting rooms, where we normally hold our events are currently in use by the GEB student labs while their normal space is being renovated. We don't have an exact date when we can return to the SAC, but we're hopeful that our first luncheon for 2023 will be there.

We're planning a fun and delicious luncheon, complete with our holiday door prize and gift extravaganza. Although the food may be deli-style due the HR Training Room set up, we feel it's important to bring back our original members and welcome many new retirees in a spirit of community and support for each other in our retirement journey.

MEMORIAL DEDICATION - JIM STOCKDALE

The Retirees Association lost our dear friend and most loyal supporter in December 2020, when Jim Stockdale passed away at age 90. Jim joined the Retirees Association upon retirement in 1992 and served as past president. Jim started his very long career at "UT Medical" in 1955, and held positions in Student Activities and support, and became the first Personnel Director for the UTHSC campus. His achievements at the University were vast and even included working on the design and construction of the Student Alumni Center in 1969.

One of Jim's proudest achievements was serving as coach of the UT College of Nursing women's basketball team from 1955 to 1981. He organized an invitational Nurses Basketball tournament that ran for 28 years and gained participation of 37 schools from 10 states. Jim received achievement awards and was inducted into the Tennessee Sports Hall of Fame.

Jim was survived by Dorothy his wife of 68 years, their 4 children, 10 grandchildren and 19 great grandchildren. We will always miss his sweet smile and ever-present support at our Retirees Association events.
