From the President

Greetings Retirees:

I look forward to seeing all of you at our next luncheon meeting on June 21. Our speaker, Jerry Hall, Director of Human Resources at UTHSC, will address retirement issues that should be of interest to everyone. Don't forget to call in your reservation for lunch no later than the Monday before our meeting. We will again offer gift cards as door prizes. Let's try to increase our attendance. Each of you call a retiree and invite them to the luncheon.

It is time to select a new slate of officers for our association for the next year. We need people to volunteer to serve our association. The position of President Elect must be filled to replace Sherrill Wolf who will become the next President. Ida Mosby has agreed to fill the vacant position of Secretary, so her position on the Board is open. We also have at least one other position on the Board to be filled. Board members serve two or three years and attend quarterly meetings between the luncheons to deal with issues that concern our retirees. We also plan the luncheon programs. If you have any suggestions for your Executive Board, don't hesitate to call me at 820-0211.

E. Dianne Greenhill
President

RETIREE SPOTLIGHT

The Spotlight is shining on Ida Woodard Mosby who retired October 1, 2005, after 20 years of service at UTHSC. Ida was the Director of Enrollment Services and the Registrar.

When asked what she enjoys most about retirement, Ida said, “Being able to watch *The Price is Right!*” After the *Price is Right* is over, Ida is involved in numerous areas of community service. She serves on the Foster Care Review Board, is a consultant for Case Management, Inc., provides counseling, and assists with Fine Arts programs. Ida is also involved with programs that serve children and homeless people. Ida enjoys spending time with her parents, James and Emma Woodard. She likes reading novels in her spare time.

Ida’s advice to those who are recently retired is to “stay active doing something that they really enjoy—something that makes them happy.” Ida also recommends that recent retirees join the UTHSC Retirees Association to stay connected to the University, since the years spent at UTHSC are such a big part of life. Ida now serves as Secretary of the UTHSC Retirees Association.

The first African American to be named Registrar, Ida stated that she was grateful to UTHSC for the opportunities provided, and that she loved her time working for the University.
