

## 2018 MASTER GARDENER CLASS

Our guest speaker at the June 2016 General Members Luncheon was Genie Ashworth, a UTHSC retiree, now a Master Gardener with the UT Extension Service. It was too late at that time to apply for the 2017 Master Gardener class, so here is the information for the 2018 class, if you are interested.

The TN Extension Master Gardener Program Application will be posted in May on their website, [memphisareamastergardeners.org](http://memphisareamastergardeners.org), for those interested to download.

This website has information on many aspects of gardening, a Calendar of Events, current Projects, a Horticulture Hotline, Speakers Bureau and Speakers Topics and Photo Gallery to name a few. The Family Plot (WKNO) host Dr. Chris Cooper has a section labeled Chris' Corner, too.

If you want further information not listed on the website you may contact them at:

## FROM THE PRESIDENT

When I wrote this message for the December Newsletter, I encouraged everyone to attend our December luncheon and bring a retired UT friend. Everyone who accepted the invitation got to enjoy our holiday turkey and dressing, along with a rousing talk from none other than Dr. Ken Brown, Health Science Center Executive Vice Chancellor and Chief of Staff. We were amazed at the upcoming plans for the University, and were inspired by Dr. Brown's message of growth and optimism for the institution.

This was followed by our very own fellow retiree, Dr. Jim Eoff – 40 year veteran of the College of Pharmacy – entertaining us with a variety of holiday songs played on his electric keyboard. We had the annual Christmas drawing of gifts, which included a number of gift cards donated by your Board of Directors, and several beautiful poinsettia plants. All in all, a terrific program!

We continue to work with the University on some great ideas to improve our primary communications tool, your quarterly newsletter. Would it surprise you to know that we actually send out at least 800 copies to UTHSC retirees all across the country? We appreciate the University's support for so many things, including the newsletter, our retiree's office, and assistance with our luncheons.

Please join us for our March quarterly event on the 16th from 11:30 to 1:30 in the SAC. We're planning another excellent program with a speaker from the UTIA, Shelby County Extension Office, Cathy Faust, with a talk on "Clearing Clutter and Organizing", just in time for spring cleaning! In my 2 ½ years of retirement, I'd have to say that cleaning the clutter from my home has been at the top of my list of goals – and it's still there. So, bring your questions and be prepared to get motivated to tackle your organization projects.

Pam Vaughn  
President

## FEATURED SPEAKER FOR MARCH LUNCHEON TO PRESENT: "CLUTTER AND GETTING ORGANIZED"

Introducing our March 16th Luncheon Speaker, Cathy C. Faust, M.S., CFCS, Extension Agent III, University of Tennessee Institute of Agriculture, Shelby County Extension Office.

I have been an Extension Agent with the University of Tennessee Extension Service in Shelby County for nearly 28 years. I graduated from Southeastern Louisiana University with a degree in Home Economics (now called Family and Consumer Sciences.) I earned my Master's Degree from the University of Tennessee in Knoxville.

In Extension, we cover everything from the farm to the fork. My teaching emphasis is on financial management. I conduct the court-mandated Debtor Education Classes for clients completing their Chapter 13 Bankruptcy.

In addition to classes on financial management for adults and youth, I conduct many nutrition classes focusing on healthy aging, dining with diabetes, food preservation, etc.

The subject of my talk for the UTHSC Retiree's Association will be "Clutter and Getting Organized", which is one of my "fun" classes, along with "Living To Be 100", "Who Moved My Doughnut?", "Handling Houseguests", and "Boomerang Children".

I have been married to Richard Faust for 42 years. We have 1 daughter, Michelle, who resides in Phoenix with her husband, 3 cats, and Chewy, our "grand-dog." Neither Rick nor I have an easy time getting rid of "stuff," but we are working on it.
