BOARD OF DIRECTORS MESSAGE

Our Holiday Luncheon Event in December was a roaring success! We didn't know whether our Retirees would respond after the long pandemic hiatus — but did they EVER! We had a record crowd (just look at the group photo). We had eleven first-time attendees and five who joined for lifetime memberships. This is the kind outstanding response that encourages us to keep moving ahead. As you can see in the pictures, our splendid holiday hot lunch was a hit, and so was our gift drawing extravaganza.

The Student Alumni Center (SAC) large meeting rooms, where we normally hold our events is not available yet, so we will return to the HR Training Room for our next Luncheon Meeting on Thursday, May 11. We will do our best to return to the SAC for our last event of the year in November. We have another hot lunch and a great program planned for May, with several of our Board Members and retiree friends talking about the volunteer opportunities and fun hobbies we participate in. It is through service and social activities that many retirees fulfill their need for connection and a sense of purpose. So, make plans to join us, and who knows... we just might have some fun with a line-dance demo.

UTHSC Retirees Association Board of Directors

WELCOME TO THE BOARD - JERRY GAMBLE

Your Retirees Board of Directors has a new At Large Board Member, Jerry Gamble. Jerry worked at UT for 28 years, most of that time he was at the UT Bowld Hospital and then briefly on Campus. In his words, he "literally grew up" at Bowld, working as a Unit Secretary, Transportation Dispatcher and Patient Account Specialist. He worked in Human Resources and served on the Employee Relations Board on Campus.

Jerry is currently with Disability Connection Midsouth (formerly known as Memphis Center for Independent Living), working as Information and Referral Specialist and Facilitator for the Grey Panthers Senior Support group. For Jerry, working for this organization is very rewarding because they advocate for people with disabilities and support seniors in the community. What a great connection for the Retirees Association! Welcome aboard!
