

THE UNIVERSITY OF
TENNESSEE
HEALTH SCIENCE CENTER.

**GENERAL SURGERY
RESIDENCY PROGRAM
2022 – 2023
MATCH DETAILS**

- We have 8 categorical positions and will offer 80 interview slots.
- We will not invite more candidates than we have interview slots available.
- We will release interview invites on November 1, 2022.
- All interviews will be conducted via Zoom.
- All interviews will be held on Wednesdays. Applicants will attend Morbidity and Mortality Conference and Grand Rounds. Interviews will follow.
- Virtual Meet and Greet receptions with our residents will be held on the Tuesday evening before the interviews.
- We will certify the rank list on February 15, 2023
- If you wish to spend a virtual or in-person day with us, after February 15, 2023, we welcome you. In-person visits will not impact our rank list.
