

UTHSC - General Surgery Clinical Rotation G&O

Sponsoring Institution: VAMC – MEMPHIS Site: VA Rotations: General Surgery PGY 2

By the end of the General Surgery rotation at VAMC, PGY 2 residents are expected to achieve the following objectives based on the six general competencies. The resident should exhibit an increasing level of responsibility and independency as he or she progresses throughout the year. Since competencies learned or mastered in the first year of residency are competencies required for a successful surgeon, the second year resident will demonstrate achieved objectives in previous years with expanded knowledge, more efficiency in performance of procedures, and additional knowledge in pathophysiology encompassing more complex disorders.

Competency	Required Skill(s)	Teaching Method(s)	Formative Evaluation Method(s)	Frequency of Evaluation
Patient Care	SPECIALTY SPECIFIC OBJECTIVES			
	Under direct supervision, perform the following surgical procedures: <ul style="list-style-type: none"> • CVP, peritoneal lavage, advanced airway management • flexible colonoscopy & esophagoduodenoscopy • flexible bronchoscopy, PA catheter • opening and closing of the abdomen • abdominal exploration • hernia repair • basic laparoscopy 	Clinical Teaching Conferences/Didactics Self Directed Learning	Focused Observation Global Rating 360 Degree Mock Oral Exam	Daily Monthly Monthly Annually
